

GO GREEN WEEK (SEPT 17th -23rd) REPORT 2018

GO GREEN 2018 THEME- RECYCLE AND MAKE YOUR PLANET GREENER!

In continuation of constant efforts in promoting environmental awareness among people and society, DP World observes a week in a calendar year as **GO GREEN WEEK**. During this week, employees get involved in the activities with a specific theme. The theme for the year 2018 is **RECYCLE AND MAKE YOUR PLANET GREENER!** The activities organized at DP World Nhava Sheva are as follows.

Awareness through Banners:

With an objective to promote the Recycling campaign, posters issued by GSE were placed at different locations such as admin premises, yard etc. Few images of the banners placed are here. The same were displayed in canteen LED screen.

Collection of Mobile phones and Aluminium cans for Recycling:

Two designated bins were placed near reception of admin building for collecting the two types of wastes, aluminium cans and mobile phones separately. Few cans were collected and these will be supplied to local vendor for recycling (advised by GHSE). Around 25 mobiles are collected in this campaign. Information regarding disposal of E-waste with and without batteries is also conveyed to employees through various means.

Swachhta Pakhwada Celebration at our Terminal from 15th September to 2nd October 2018:

As per the direction of the Ministry of Shipping, the 'Swachhta Hi Seva 2018' is observed in our Terminal from 15th September to 2nd October 2018. Swachhta Pakhwada programs are arranged at our terminal and event photos are communicated to Ministry of Shipping. As a part of Training to Terminal operators "solid waste management awareness" session is conducted on 19th September, 2018. Ministry of shipping has shared the photos of Training conducted in our Terminal on their official facebook page.
