## Inter Terminal Movement For Imports & Exports at NSIGT

**Dear Valued Customers,**

We wish to remind you that in collaboration with Jawaharlal Nehru Port Container Terminal (JNPCT), Gateway Terminal India (GTI) & Nhava Sheva International Container Terminal (NSICT) the process of inter-terminal transfer is in progress and would request you to avail of that same. This process caters to both imports as well as exports as is the case with the ITT currently in place with the other 3 terminals.

This will save considerable time and costs for you and your customers as the trailers/trucks will not need to exit JNPCT/GTI/NSICT gates and then make the onward trip to NSIGT gates.

We look forward to your continuous support.

Best Regards,

DP World Nhava Sheva
